

RUN FOR JAPAN
走ろう、日本のために。

April 15, 2011

Dear School Administrator,

Over the last few weeks, a common thread that we have been hearing from people is that they wish they could do something for the people in Japan. As Bay Area residents of Japanese descent, we strongly believe that we can help with bringing these wishes into fruition. Consequently, we have gathered and organized a committee to coordinate a charity run/walk event on May 1st in the South Bay to raise money for the victims.

We would really appreciate it if you could add a link of this event on your school Web calendar or event page.

Please check the Website for the details, and if you have any question, please feel free to contact us.

Thank you very much in advance for your consideration and cooperation.
